## **PROFESSIONAL EXPERIENCE**

### **Monitoring and Evaluation Assistant at Indus Hospital and Health Network (IHHN), Karachi, Pakistan Jan 2024 – Jan 2025**

- Supported planning and coordination of a community health project in partnership with RekoDiq Mining Company, providing free quality healthcare services to remote populations.
- Maintained regular liaison with internal teams, partner organizations, and field staff for data reporting and communication.
- Conducted and synthesized qualitative and quantitative data to assess health outcomes and service delivery improvements.
- Contributed to the development of project reports, presentations, and briefing documents.
- Ensured timely data collection using digital tools (Kobo Toolbox, Survey CTO) and adherence to project timelines.

### **Research & Technical Intern at People's Primary Healthcare Initiative (PPHI Sindh), Karachi, Pakistan Jun 2023 – Aug 2023**

- Assisted in field-level coordination and data collection for MNCH and family planning programs.
- Supported development of resource materials for awareness campaigns and training content.
- Evaluated implementation barriers in service delivery and provided actionable insights.
- Collaborated with program staff and local health workers to facilitate communication and feedback loops.
- Conducted nutritional counselling of patients admitted in the hospital
- Assisted in development of dietary plans for chronic disease management (e.g., diabetes, hypertension).

### **Trainee Dietitian at Liaquat National Hospital, Karachi, Pakistan Feb 2022- Mar 2022**

- Developed hands-on understanding of hospital nutrition protocols and patient-centred care.

## **TECHNICAL SKILLS**

- Microsoft Office (Excel, Word, PowerPoint)
- Statistical Analysis using SPSS
- Data Collection Tools: KOBOTOOBOX, Survey CTO Collect
- Report Writing & Documentation
- Project Budgeting & Time Scheduling
- Public Health Data Management Systems
